Perkbox at a glance

Who Perkbox is

Perkbox is a global benefits and rewards platform that allows companies to care for, connect with and celebrate their employees, no matter where they are or what they want.

What we do

We ensure that companies with a diverse and multi-locational workforce can still have a harmonised Employee Value Proposition (EVP) and culture, and keep each employee happy, healthy and motivated.

Perkbox significantly reduces cost and admin burden for employers, and provides a seamless experience for users through a global app which can be accessed anywhere, at any time.

Why it matters

Why harmonising your Employee Value Proposition (EVP) and culture matters

This is a new working world, where employee needs and wants have changed, as have business challenges.

Focusing on wellbeing, harmonising culture across dispersed teams, and offering valuable benefits to a diverse workforce are now a must-have for any company to both attract and retain talent.

- ✓ 75% of employees say they're **more likely to stay in their jobs because of their employee benefits package** while 69% of employees say **a better benefits package would make them choose one company over another**
- ✓ Employee **productivity increases by 20 to 25%** in organisations where employees are connected
- ✓ 89% of workers at companies that support wellbeing initiatives are **more likely to recommend their company** as a good place to work
- ✓ 60% of best-in-class organisations stated that **employee recognition is extremely valuable in driving individual performance**

Wellness hub

Support your team's wellbeing with curated resources at their fingertips.

Culture hub

Showcase your company updates and culture across locations from one central place.

Enhanced admin experience

Harmonise your EVP across locations while minimising admin burden - saving you time, energy and money.

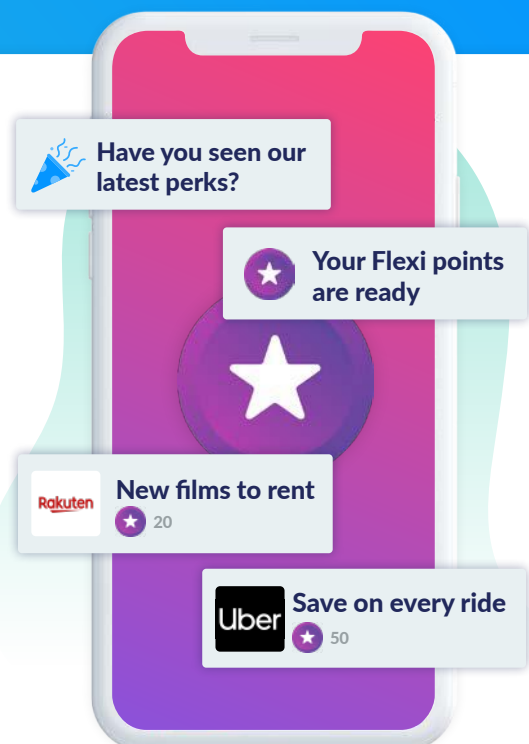

Perks hub

Provide global perks and benefits that constantly add value to your employees' lives, all in one easy to manage place.

Make your business stand out with perks, benefits and discounts that suit your employees' needs and lifestyle. There's something for everyone - no matter where they are or what they want.

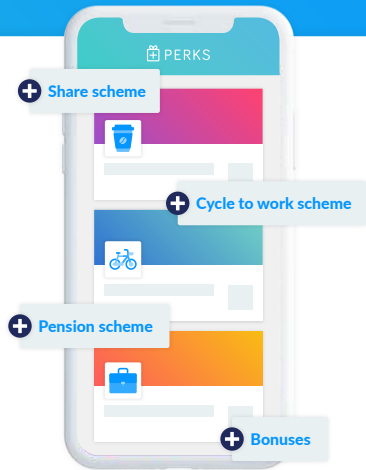

Give access to a wide range of deals and discounts from the biggest brands, allowing them to shop and save all year round on things that matter to them

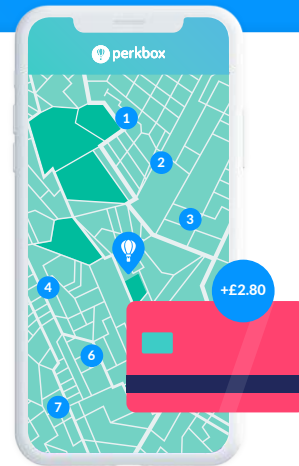

Give your employees freedom to choose perks that matter to them, with a monthly allowance of Flexi points to spend on a wide range of Flexi Perks - at no cost to them

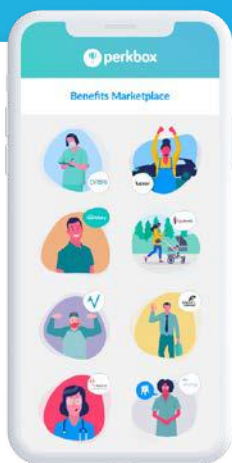

Perks hub

Add your own company benefits – big or small – to bring everything under one roof

Enable employees to earn credit on their purchases with card-linked perks

Add extra benefits to your offering at exclusive rates via our partners on the Benefits Marketplace

"We would recommend Perkbox because it provides a significant range of benefits that staff want and value. The technology is excellent and the customer support is excellent, so I would have no hesitation recommending Perkbox."

Josh Humphreys, HR Director,
West London College

Celebration hub

Recognise and reward your people in a personalised way, wherever they are - increasing motivation and engagement.

Strengthen the connections between your employees and the organisation. By building a culture of appreciation through personalised and meaningful recognition and reward, your people will be more motivated and aligned with the company values. Happy and motivated employees are more productive and stay around longer.

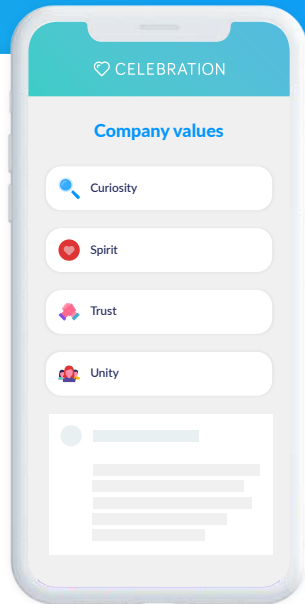

Enable company-wide recognition, across borders

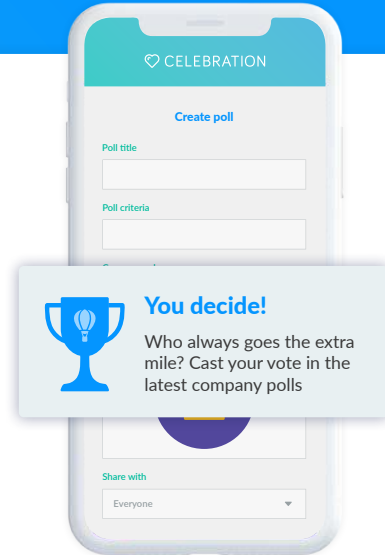

Give rewards from our Rewards Marketplace, big or small, that will matter to the recipients, whatever their needs and lifestyles.

Celebration hub

Emphasise what your company stands for by linking recognitions to specific values and milestones

Start a poll and get your employees involved, whether you're looking to start a healthy competition or simply have some fun

“I found there were certain interactions between departments or colleagues that I wouldn't have necessarily been aware of, but I was able to read the recognitions that say this person helped that person. The ability for the entire team to see this kudos being passed around further enhances all of our understanding of the totality of the business rather than a specific function that you're just focusing on and that is quite powerful.”

Heath Johns, Managing Director (Australia & New Zealand), BMG Australia

Culture hub

Showcase your company updates and culture across locations from one central place

Create a greater sense of togetherness across all parts of the business. Share important news, communicate key initiatives, shine a spotlight on employees or share your party pics.

Share anything you want with custom cards, from people initiatives to new policies to fun videos

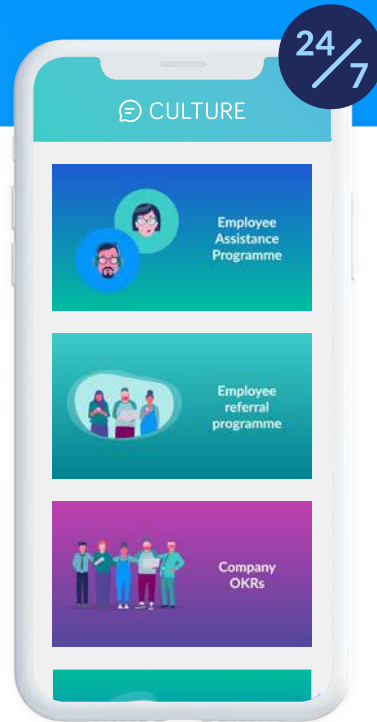

Save time and reduce the reliance on leaders in each location to cascade information

Culture hub

Create links to relevant resources

Create cultural alignment by making your comms visible to people anywhere, at any time, even on the go via our mobile app

"Perkbox is one element of many that is helping the feeling of 'we're better together as a team', the feeling of one company and not multiple divisions."

Patryk Kania, Managing Chief Operating Officer, Clinic to Cloud

Wellness hub

Support your team's wellbeing with curated resources at their fingertips.

Happy and healthy employees are more motivated and productive. Showcase your wellbeing strategy to boost retention and combat absenteeism.

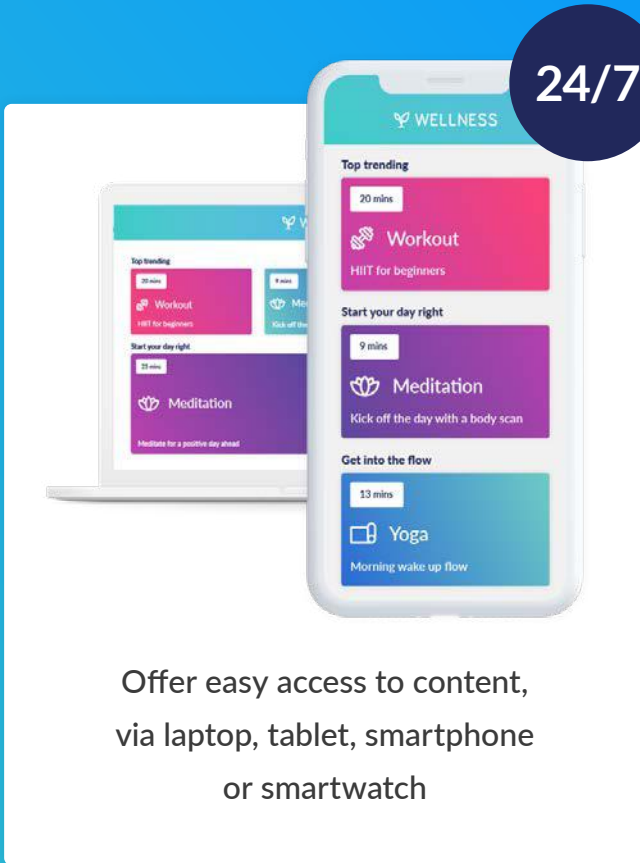

Give access to a wide range of carefully curated wellbeing content that caters for all needs, from workout videos to meditation guides to soothing sleep stories

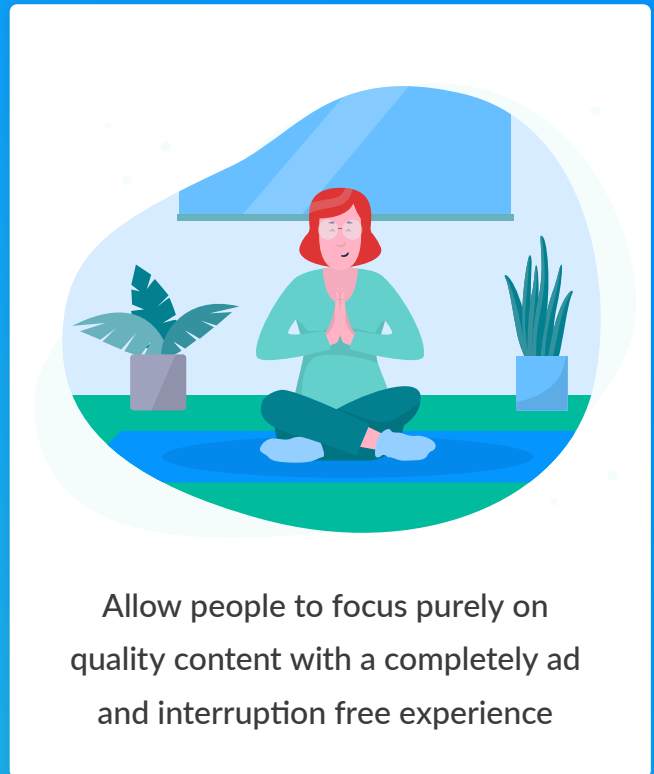

Provide something for everyone's goals, whether they're looking to exercise, calm their mind or get a better night's sleep

Wellness hub

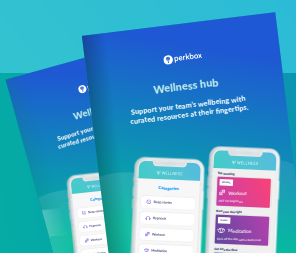

Offer easy access to content, via laptop, tablet, smartphone or smartwatch

Allow people to focus purely on quality content with a completely ad and interruption free experience

"I would highly recommend it for just the perks alone. However it's much more than that; for businesses serious about employee wellbeing they will be very surprised at the complete package on offer. Commercially, it's a no brainer."

David Sheridan, Operations Director, Arc Europe AU
